### NARRATIVE:

Daniel Kiehlmeier has an extensive adult criminal history that began at the age of 21. His convictions include robbery, hit and run causing injury/death, assault with a deadly weapon causing great bodily injury, possession of a firearm by felon, weapon in jail, multiple cases of receiving stolen property, harvesting marijuana, battery, false identification to a peace officer, possession of burglary tools and being under the influence of controlled substances. He has served multiple incarcerations, the longest being a 4 year term for weapon in jail. Kiehlmeier was released from state prison to the supervision of the Los Angeles County Probation Department on August 23, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2015 after he absconded from post release community supervision (PRCS). Kiehlmeier qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for receiving stolen property is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
